C.D. "Pat" Farnsworth opened Farnsworth's Cafe in Orono, Maine in July 1931. Pat's dream was backed by \$175.00, long hours and hard work (a practice his son still continues to this day).

Because of his efforts, Pat saw the cafe, which originally sold ice cream and confections, become a full service restaurant.

In 1953 Pat added pizza to his menu. The fresh dough pizza, topped with a special sauce developed by Pat and wife Fran, were an instant success. Pat's change in menu transformed Farnsworth Cafe into Pat's Pizza.

Over the years Pat's Pizza has become a favorite of University of Maine students. In fact, it has been said that an education at the University is not complete without a Pat's Pizza.

All of Pat's Pizza Restaurants offer friendly, casual and affordable dining for the entire family. We hope you enjoy your visit and come back to see us often.
